What Is MOPS? MOPS is an international ministry dedicated to the message that “mothering matters” and that moms need encouragement during these critical and formative years. MOPS is a place to enjoy the fellowship of other moms striving to meet the rewards and challenges of motherhood. You’ll hear excellent speakers, eat delicious food, and enjoy great conversations with women who understand how much it takes to be a mother. **MOPS meets the 2nd & 4th Tuesday or Wednesday morning of each month.**

Our focus for 2011-2012? Mothering is part art, part science, and always a work in progress! Backed by thirty years of research, *MOMOLOGY: A Mom’s Guide to Shaping Great Kids* is a book designed to help you be the unique mother God created you to be; because better moms make a better world! We’ll read and discuss the book, re-shape our thinking about motherhood and shape the future for our kids.

Where do my kids go while I'm in MOPS?

We created the **Moppets Program** to provide more than just good childcare. Your little *Moppet* will have fun making crafts, hearing stories, and learning about God from loving, dedicated caregivers. Classes are small and taught by church members. It’s a secure environment for your children as we stay in contact with the caregivers using walkie-talkies in classrooms and the nursery. If your child’s in the nursery, you’ll be given a pager. We’re proud of our Moppets program. Your child will love it, and so will you. Moppets is for children 0-5 years.

What if daytime MOPS won't work for me?

Working mothers have the same demands as other moms, plus the responsibilities of work outside the home. **Twilight MOPS** provides encouragement and an opportunity to connect with women who understand a hectic pace. Twilight MOPS is also for stay-at-home moms. If evening is better for your family’s schedule, sign up for Twilight MOPS. **Twilight MOPS meets from 6:30-8:30p.m. on the Tuesday evenings listed.** Childcare is available for all ages of children.

Are there differences between MOPS and Twilight Mops?

	TUES AM	TWILIGHT	WED AM
Speakers	Yes	Yes	Yes
Childcare/ Moppets	Yes	Yes	Yes
Mentor Moms	Yes	Yes	Yes
Time	*2.5 Hours	*2 Hours	*2.5 Hours
Crafts	Yes	Yes	Yes
Cost	\$160	\$160	\$160

*The time difference is due to the smaller numbers at Twilight Mops. Less moms means it takes less time to get everything done.

How do I register & what does it cost?

Fill out the enclosed form and return to La Casa de Cristo. MOPS is very popular and fills up quickly. Enrollment is limited by available childcare space, therefore we encourage early registration.

The fee is **\$160.00** for the year to cover the expense of the speakers, resource materials, and crafts. There is **NO** charge for childcare or the Moppets program.

All fees are non-refundable.

Payment Options:

- Pay \$40.00 by June 15, 2011:** You guarantee your spot in MOPS, *and* you can attend on the day of your choice.
- Make 4 easy payments of \$40.00 each. Make your first payment with your registration. The next due dates are Sept. 1, Jan.1, and Mar.1.**
- If this is a financial hardship, apply for financial assistance by calling or e-mailing Jennine Ulibarri.

Other Guidelines: **Cradle Roll:** Babies *under 5* months may attend meetings with the mothers. Once your baby is **5** months old, contact Cara Hoffman for placement in the nursery. Do not simply drop off your little one as we want enough staff to care for each child.

Friends: Know someone interested in visiting or joining MOPS? Have them contact **Jennine Ulibarri, Girlfriends’ Director**, rather than just showing up. Call 480.948.1234, ext.1108 or e-mail. julibarri@lacasadecristo.com.
