# Because Better Moms...

# Make a Better World!

*A GROUP FOR MOTHERS  
OF SCHOOL-AGE  
CHILDREN AGES 6-12*

*A DIVISION OF MOPS INTERNATIONAL*

You survived the **no-no-no** stage,  
Learn how to thrive in the **go-go-go** stage!

As children enter the school years,  
new challenges for mothers arise.

MOMSnext is here to support you  
in this stage of motherhood.

You will be welcomed, accepted  
and inspired to reach your full potential  
as a woman and a mom.

## MOMSnext will help you become:

◆ **Equipped** for parenting. We'll be  
completing the study, *Grace Based Parenting:  
Building Character*, by Dr. Tim Kimmel. This  
study will help you: Raise kids who can thrive in a  
hostile culture. Instill the six most critical traits  
that a child needs to turn out right. Prepare kids  
for the biggest challenges of life-loneliness, fear,  
temptation and betrayal. Maximize the potential of  
your child's future.

◆ **Energized** by fabulous guest speakers,  
with topics designed to stimulate discussions  
and offer tangible solutions for your families.

◆ **Encouraged** by sharing with other moms  
who are confronting similar joys and challenges.

Making a difference in our hearts...
