Defend the Cause of the Fatherless ...

Isaiah 1:17

This fall La Casa will launch a program

dedicated to boys who have been left behind by their fathers— either abandoned or through a tragic loss. You'll have the opportunity to mentor them one on one through outdoor activities while at the same time sharing your Christian principles with them. This link leads to the program's website ...

Discover LaCasa's Men's Ministry During the Summer Retreat in Prescott

Men Mentoring Men is the theme of our Fall Retreat, which typically attracts more than 100. This year it has been moved to the more conveniently located and always cool **Pine Summit Camp in Prescott,**

www.pinesummitcamp.com. So mark your calendar for the weekend of **Friday – Sunday, September 17-19,** and prepare to head north. Our speaker will be Dr. Steve Gerali who most recently served at Azusa Pacific University, Azusa, California, as director of the undergrad degree program in Youth Ministry. Prior to entering academia and becoming a professor, author, speaker,

and consultant, Gerali collected two doctorates from Oxford Graduate School U.S.A., and a master's from Loyola. In addition to Dr. Gerali's presentation sprinkled with a number of breakout sessions, there will be plenty of time for a variety of recreational activities ranging from hiking and fishing to mountain biking and napping. Sign up at the Men's Ministry table on Sundays. Scholarships available ... contact PJ by phone at church or via email at jruby@lacasadecristo.com.

Join **David Ulibarri** and **Pastor Jeff** in the mission trip to the Navajo Lutheran Mission at Rock Point in northern Arizona this July 24-29. The group— open to men, women, and families— will work to build a hogan as part of the mission's effort to introduce visitors to the Navajo culture. Some existing hogans and homes in Rock Point will

also be repaired. Additionally, the team will host a "puppet camp" for the kids and participate in worship with The House of Prayer, the mission's church. Cost is \$65 per person or \$225 for a family of four. This link will take you to the application ... www.lacasadecristo.com/pdf/Navajo%20Application.pdf.

Cell Phones for Soldiers

LCdC will collect used cell phones throughout June. Remove your personal information and bring them (in good working order) with the battery. No chargers or accessories, please. Leave them in the collection boxes on Sunday and in the office weekdays. Proceeds from the sale of these phones will be used to buy prepaid calling cards for soldiers. www.cellphonesforsoldiers.com

Huge Response to Request for New Activities

Our survey regarding interest in new activities was overwhelming with large numbers of men responding to not only the areas listed on the form, but adding many more. **Golf** was number one with 32 men indicating an interest, followed by **hiking** with 31, and **fishing** with 25 respondents. Large numbers also said they'd turn out if we form groups for **photography, cycling, and bowling. Gardening, woodworking, shooting, and vintage cars** were also big winners. Write-in votes were cast for **offroading, softball, skiing, and motorcycling**, along with **gold prospecting**. Watch for groups to form!
